

Thina Age Policy

At Thina, we are committed to ensuring a safe and secure experience for all our users. For this reason, we have implemented the following age-related policies:

1. **Minimum Age Requirement:**
 - Users must be 18 years or older to create an account and access all features, including social media and messaging.
 2. **Under 18 Participation:**
 - While users under 18 cannot create accounts independently, they are still welcome to attend volunteering events. A parent, guardian, or responsible adult must create an account on their behalf and accompany them during the event.
 3. **Future Plans for Schools and U18s:**
 - Thina plans to introduce a school subscription version, allowing students under 18 to access volunteering opportunities through their schools.
 - This school version will include specific restrictions on social media and messaging to ensure a safe and responsible experience for minors.
-

By including the **User Acknowledgment Box**, users confirm they:

- Acknowledge they have read and agree to the **Terms and Conditions, Privacy Policy, and Age Policy.**
- Confirm they are 18 years or older (for individual accounts).
